PERSONAL GUARANTEE OF FINANCIAL RESPONSIBILITY

I hereby absolutely, unconditionally and irrevocably guarantee to Maricopa County the prompt payment of any and all fees and charges in connection with this application, without the necessity of Maricopa County first seeking payment from the named applicant.

INITIALS:

DEVELOPMENT DISCLAIMER NOTICE

By initialing / signing this application and disclaimer, I state that I am either the owner of record of the parcel and/or authorized by the owner(s) to represent them regarding the subject parcel. I understand that the issuance of a Building Permit for this property (APN _____) by Maricopa County DOES NOT GUARANTEE THE AVAILABILITY OF POTABLE WATER AT THIS SITE.

I also am aware and understand that issuance of the Building Permit does not obligate Maricopa County to issue a permit for electrical service for a shared well to serve this site, should this site be included within a private shared well agreement.

INITIALS:

PERSONAL ASSURANCE OF SUBMITTAL ACCURACY

I hereby unconditionally and without reservation guarantee and warranty to Maricopa County that the documents submitted to Maricopa County Planning and Development, including but not limited to the application materials and/or any and all site plan(s) and building plans, provide a true and accurate depiction of the requested construction and accurately reflect the existing conditions of the subject parcel.

I am aware that Maricopa County Planning and Development will rely upon the accuracy of the materials provided to perform a Zoning Clearance review, as required in the Maricopa County Zoning Ordinance, Section 1504.5. I have also seen and verified that the submitted site plan materials include and accurately provide all listed items on the Department's Site Plan Checklist.

I am aware and understand that the issuance of a Building Permit does not represent that Maricopa County has verified or authenticated the veracity of any materials submitted in support of the application for permit. I understand that Maricopa County will issue a Building Permit based upon the subject materials and that any falsification of documentation submitted as part of this permit application may void the Building Permit upon which it is based.

In addition, issuance of a Zoning Clearance in conjunction with this application by the Department does not approve or imply the approval of other structures, permitted or unpermitted, which may be on the same property, but which are not the subject of this permit request.

I also certify, to the best of my knowledge, that each of the buildings, structures, and conditions reflected on the submitted plan is in compliance with the Maricopa County Zoning Ordinance, which may be found at:
