Welcome to the Citizens Access Portal for the **One Stop Shop**.

The One Stop Shop is focused on improving coordination and service by bringing those functions related to development permits and projects together. The departments reflected in this portal are:

- Planning & Development (P&D)
- Flood Control District of Maricopa County (FCD)
- Transportation (MCDOT)

You may now track your projects, permits and/or clearances online. For the **Planning and Development Department**, you may also:

1. Pay Online.
2. Schedule an Inspection.
3. Submit for specific types of permits online.
4. Submit and/or Track a Public Records Request.

First, please choose the applicable area from the tabs above or from the light blue boxes below. Additional functionality and services are under continuous development.

For most search inquiries, creating a login account is not required; however, an account is needed to submit for a permit.

Once you have your project, go to the “Record Info” tab and click the blue triangle to see the options available.

The screenshot displays the Maricopa County Online Permit Manager interface. At the top left is the Maricopa County AZ logo. On the right, there are links for "Register for an Account" and "Login". A navigation menu includes "Home", "Development Services / Code Compliance" (highlighted with a dark background), "P&D Records Request", "Planning Services", and a "more" dropdown. Below the navigation is a search bar with options: "Search Building Permits/Code Compliance", "Submit an Application", and "Schedule an Inspection". The main content area shows "Permit B201702706: Residential\_Accessory" with a "Record Status: Issued". Below this is a tabbed interface with "Record Info" (selected and highlighted with a blue underline and a blue triangle), "Payments", "Conditions" (with a red circle containing the number 3), and "Custom Component". A red dashed arrow points to the blue triangle on the "Record Info" tab. Below the tabs is an orange alert box with a star icon, stating: "This record was locked by REQUIREMENT on 03/28/2017. Condition: F-STBD SITE TO BE DEVELOPED Severity: Required Total Conditions: 3 (Required: 3)". A "View Condition" button is located to the right of the alert. The "Work Location" section shows the address: "4341 E BROADWAY Rd, PHOENIX AZ 85040". The "Permit Details" section is divided into "Applicant" and "Project Description". The "Applicant" information includes: "Your Name", "Your Business Name", "1234 YOur Street", "Your City, AZ, 85000", "United States", "Home Phone:1234567890", and "Youremailaddress@youreemailprovider.com". The "Project Description" is: "TEST PERMIT//ADDING A DETACHED CASITA WITH ELECTRICAL". Below the "Applicant" information is the "Owner" information: "MARICOPA COUNTY", "301 W JEFFERSON ST 10TH FL", "BOARD OF SUPERVISORS", "PHOENIX AZ 85003". At the bottom left of the "Permit Details" section is a "More Details" link with a right-pointing triangle. At the bottom center is a "Print/View Permit »" button.

Before you move from this page, you can check the permit information by expanding the triangle next to and under “More Details”.

**Inspections (Verify Required Drainage Inspection By Viewing Your Issued Permit)**

If you are unable to schedule an Inspection online, there are several reasons why this might occur.

- The computer or device you are using is not compatible with our website:
  - This Website is compatible with IE 6 to IE 10, Firefox 27 and Chrome 33. Please click the link below to view a possible compatibility solution for IE 11.  
[IE 11 Compatibility View Settings](#)
  - To resolve this, use another computer which meets the requirements listed above, or use the Inspection Line, 602-506-3692. For the Inspection Line, you must have the permit number and the inspection code. You may only schedule for the next business day.
- There is no expiration date on the permit. This may be caused:
  - Because the permit has not been Issued yet.
  - By a system error such that the expiration date was not automatically calculated.
  - If the permit was not issued correctly in the system.
- There are fees outstanding:
  - A failed inspection might result in the assessment of a reinspection fee which must be paid before any further inspections can be scheduled.
  - There is a permit fee that was assessed after the permit was issued. This is very rare.
- The permit is not in a status that will allow an inspection:
  - Residential permits must be in Issued, Reissued, or Renewed status.
  - Commercial permits must be in Issued, Reissued, Renewed, or Modified status.
- A Drainage milestone inspection has not been met:
  - Some projects require Drainage milestone inspections. If these are not met, no inspections beyond that milestone can be scheduled.
  - Drainage milestone inspections are:
    - 155 Drainage Finish Floor Elevation
    - 801 Drainage In Progress Inspection
    - 970 Drainage Final

If you are unable to determine why your inspection was not scheduled, please call our main number, 602-506-3301, to speak with a Customer Service representative who will help you resolve the issue.

### Schedule/Request an Inspection X

Maricopa County is currently experiencing a very high demand for inspections that exceeds our capacity to complete. Once our capacity has been reached for each day, your inspection request will be scheduled for the next available business day. We apologize for the inconvenience.

Available Inspection Types are listed below. Inspections happen between 7 AM and 2:30 PM.

In conformance with the adopted building codes, all inspections listed below shall be considered as required inspections for any project with construction related to the areas of the inspections. It is the responsibility of the owners / builders / developers / contractors to ensure that all needed inspections are requested and performed.

Failure to receive all needed inspection approvals is a violation of adopted building codes. For a complete listing of available inspections, please review your issued permit.
